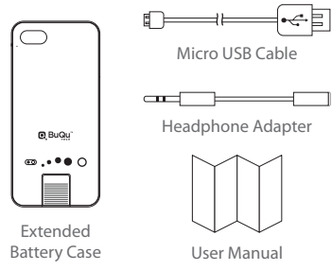
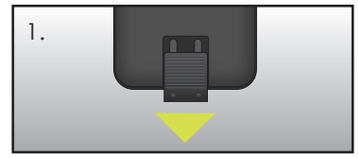
Thank you for purchasing the BuQu Tech extended battery case for iPhone 5s/5. This case provides additional run time for your iPhone.

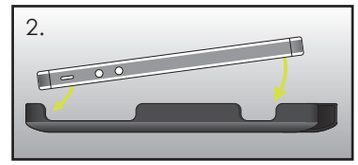
## Features:

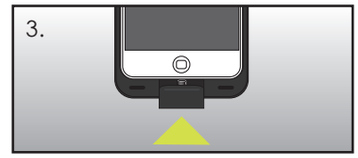
- Protects against everyday wear and tear
- Built-in Li-Ion battery provides additional run time
- 2A input charger recharges the extended battery case up to 20% faster than other battery cases
- Built-in short circuit, over-charge, and temperature protection

Package Contains:









**Inserting the Phone:**

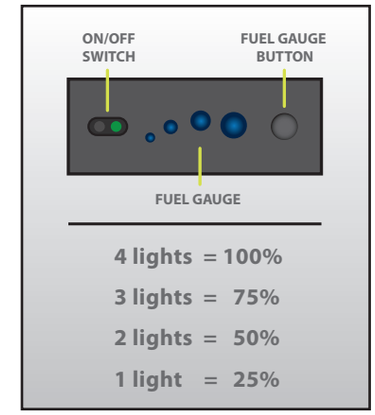
1. Pull out the sliding connector on the bottom of the case (Picture 1).
2. Insert the iPhone into the case as shown (Picture 2).
3. Push the sliding connector back into the case so it fits securely inside the phone's charge port (Picture 3).

**Removing the Phone:**

1. To remove the iPhone, pull the sliding connector out.
2. Hold the iPhone at the notch on the sides of the case and lift the iPhone from the case.

**Using the ON/OFF Switch and Fuel Gauge:**

1. To turn on the extended battery case, slide the on/off switch on the back of the case to Green.
2. When your phone recognizes the extended battery case, the phone's charging indicator will appear on the screen. This indicates that the phone is charging and using the power from the extended battery case.
3. To turn off the extended battery case, slide the on/off switch to Red. This will turn off the battery case and your phone will be powered only by its internal battery.
4. To see the available battery capacity in the extended battery case, press and release the fuel gauge button on the back of the case.

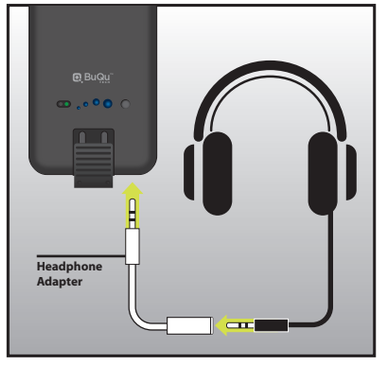


**Charging with the Micro USB Cable:**

Plug the micro USB cable into the micro USB port at the bottom of the extended battery case and plug the other end into any USB power source or laptop.

**Using the Headphone Adapter:**

Most headphone and audio jacks will fit inside the headphone socket securely. In case your headphone jack does not fit, attach the headphone adapter to the iphone's headphone socket first, then attach the jack of the headphone to the socket at the other end of the headphone adapter.



**ONE YEAR LIMITED WARRANTY**

This product carries a limited warranty against defects in material and workmanship under normal use and service for one year from the original date of purchase. The manufacturer or distributor, at its option, shall repair or replace the defective unit covered by this warranty. Please retain the dated sales receipt as evidence of the date of purchas will be required for any warranty service. In order to keep the warranty in effect, the product must have been handled and used as described in the instructions accompanying this warranty. This warranty does not cover any damage due to accident, misuse, abuse or negligence.

**DISCLAIMER OF WARRANTY**

The limited warranty described herein is your sole remedy. To the extent permitted by law, the manufacturer and distributor disclaim all other implied or express warranties including all warranties of merchantability and/or fitness for any particular purpose.

**LIMITATION OF LIABILITY**

Except to the extent of repairing or replacing this product as expressly stated in the limited warranty described herein, the manufacturer and distributor shall not be liable for any damages, whether direct, indirect, incidental, special, consequential, exemplary, or otherwise, including lost revenues, lost profits, loss of use of software, loss or recovery of data, rental of replacement equipment, downtime, damage to property, and third-party claims, arising out of any theory of recovery, including statutory, contract or tort. Notwithstanding the term of any limited or implied warranty, or in the event that any limited warranty fails of its essential purpose, in no event will the manufacturer's and distributor's entire liability exceed the purchase price of this product. Some states and provinces do not allow the exclusion or limitation of incidental or consequential damages so the above limitations or exclusions may not apply to you. This limited warranty gives you specific legal rights. You may have other rights which vary from state to state and province to province.
